

FAMILY FUN LIST: JUNE 2023

Creating connections between you, your family, and our community

CA State Parks Week:

Celebrate the first annual State Park Week! Take the family out to explore all our state has to offer! See the website for more details including tips to care for these amazing nature spaces.

Big Life Journal Sibling Kit:

Sibling relationships can be difficult at times. This digital kit is designed to help manage conflict and preserve peace in your household.

The Backyard:

The Natural History Museum has a new interactive space for children ages 5 and under to explore and learn! Must be accompanied by an adult, entry included with admission.

Imagination Soup Summer Reading List:

Find familiar classics or discover a new favorite! Books recommended for children ages 5-18 to keep the reading going while school's out.
