

FAMILY FUN LIST: JULY 2023

Creating connections between you, your family, and our community

Zogo:
A financial education program that started as an app made by college students! The gamification makes it fun to learn about money management and more.

Nighttime Zoo:
From 5/26-9/4, the zoo extends its hours to 9 am - 9 pm daily! There are tons of fun activities to enjoy while the zoo is open later for the summer.

Moonlight Summer Sunday Concerts:
Through August, you can enjoy free musical performances Sundays at Moonlight Beach! Opening band begins at 1 pm before the headliner takes the stage from 3-5 pm.

Kids Cooking Activities:
Looking for some family friendly recipes and to get your kids involved in the process? Try some of these for the Fourth of July holiday!

Coffee Break Languages:
Check out these free Spanish podcasts ranging from absolute beginner to advanced. For a fee, they offer online courses which provide more extensive learning support.

Summer Movies in the Park:
Take the family to watch a movie under the stars! Various locations around the county to enjoy from May to October.

Go Zen:
A video based SEL program for children aged 6-15 that aims to help children with confidence, courage, and resilience. Various subscriptions available as well as free resources.

Make-Your-Own Bored Jar: ★
This quick fun activity will bust boredom all summer long! Fill a jar with suggestions to avoid the summer blahs!
